We are a school community with a Christian ethos, dedicated to providing optimum learning for each child in a happy atmosphere

Recognising its historic foundation, the school will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the church at parish and diocesan level. The school aims to serve its community by providing an education of the highest quality within the context to Christian belief and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils. We aim to provide a happy and safe learning environment where every learner can achieve their full potential.

Attendance Policy May 2018 Review May 2019

Rationale

Good habits which are established early in life continue into adulthood and help to develop good working routines and relationships which in turn lead to personal success and self-esteem. Regular attendance at school underpins success in all areas of the curriculum. This policy is in line with other schools in the area and reflects county and national policy. All pupils should achieve at least 96% attendance, with the aim of 100%.

Actions

- Reward good attendance
- Liaise with partner schools
- Regularly raise awareness via newsletter/website

Persistent Absence – 10% of absence for any reason

PA children are those who have reached/missed the following number of sessions authorised and unauthorised by the end of each half term. Each day consists of two sessions.
Term 1: up to October break at least 7 sessions (3.5 days absence in this academic year) Term 2: up to Christmas at least 14 sessions (7 days absence in this academic year) Term 3: up to Feb break at least 20 sessions (10 days absence in this academic year) Term 4: up to Easter at least 25 sessions (12.5 days absence in this academic year) Term 5: up to May break at least 32 sessions (16 days absence in this academic year) Term 6: to end of July at least 38 sessions (19 days absence in this academic year)

For any pupil who has missed a targeted number of sessions medical evidence will need to be provided for any absence.

Compliance with Somerset County Council's Penalty Notice Code of Conduct, issued on 30.08.2013

The Welfare Officer for the school is *Sarah McEvansoneya*, whose contact details are available from the school office.

As a Federation we try our very best to ensure that every student is successful. It is well known that attainment is linked with attendance and all statistics show that students who attend regularly not only enjoy school life to the full but attain higher grades than those who don't attend regularly

Parents are legally responsible for the regular attendance of their child and the Authority will take appropriate legal action in response to cases of poor attendance. This may include us as a school requesting:-

- Education Attendance Referral
- Fixed Penalty Notice (£60.00 fine per child per parent or carer)
- Court Action for failure to secure regular school attendance.

Penalties may be requested and served to each parent/carer per child:

- where the pupil's absence, perhaps within a rolling academic year, has not been authorised by the school.
- where parents allow their child to be present in a public place during school hours without reasonable justification during the first five days of a fixed period or permanent exclusion. (The parents must have been notified by the school at the time of the exclusion of this and the days to which it applies)
- where term-time leave of absence has not been authorised (authorised leave of absence to take family holidays can only be granted by the school in exceptional circumstances).

From September 2014 we have complied with County expectations by:

To bring us in line with the Crewkerne and Ilminster cluster of schools and Local Authority expectations we will be implementing penalty fines and warning penalty notices for unauthorised attendance which includes unauthorised holidays.

Within the local cluster of schools we have agreed the following:

- The Local Authority will issue families with a penalty fine of £60 per pupil, per parent where any child is absent from school for 10 consecutive unauthorised sessions (5 days). This means that in the future, families can expect a fine of £60 per pupil, per parent for taking a holiday of a week or more. Please note these fines go to the Local Authority and not to the school. Children who are absent from school with illness for a week or more will not be fined and whilst in the majority of cases we will take a parent's word re illness, where there are concerns regarding the length of absence, legitimacy or frequency is questioned then medical evidence will be sought to support the need for absence e.g. prescription, medicine label, appointment card, screen print from the surgery – please note we are not asking for a Doctor's certificate.
- We follow the Somerset County Council advice. Therefore we will still fine unauthorised consecutive absence of 10 sessions or more where pupil's attendance is below the expectation for the school. The Ashlands and Misterton Federation expectation is 96%.
- Children who have 10 or more unauthorised absences in any 12 week period may receive a warning penalty notice from the Local Authority. Children who receive a notice will be expected to attend school for a given number of weeks without any further absences – otherwise a penalty fine will be incurred. Where a penalty warning notice is issued any illness absence must be accompanied by some form of medical proof.

- There may be exceptional circumstances where leave is granted and these can be put in writing to the school. Where a family's children attend more than one school then these circumstances will be discussed with the other school and if required, advice sought from the Local Authority. Additional evidence may be asked for. Most requests for term time leave will be unauthorised unless evidence is provided to show that leave has to take place during term time (e.g. fixed events such as funerals or weddings, or due to work circumstances e.g. leave for forces families). Term time leave will not be authorised on the grounds of cost or where families give good reasons to have a holiday without justifying why the leave could not be taken at the next school holiday date. Where leave is granted for a fixed event (such as a wedding) whilst the school may authorise reasonable travel time, extended leave or holiday around the event will not necessarily be authorised.
- If you have a child attending another school in CISP (Crewkerne and Ilminster School Partnership) we will consult with that school if a request for absence is made. Please bear in mind that in certain circumstances e.g. poor attendance for one sibling, child in a National examination year, there may be a different decision made by the schools involved however in most cases schools will make the same judgements regarding absence.

At Ashlands and Misterton we also take lateness very seriously. Persistent lateness can become a problem, as vital information with regards to school work is usually given out at the beginning of lessons. Students arriving late can miss this which may have a negative effect on attainment. We do have a legal obligation to close the register after the first 30 minutes of morning and afternoon sessions. If your child is late by less than 20 minutes they will be given a late mark. If lateness becomes an issue, further action will be taken.

If a child is more than 20 minutes late for morning or afternoon sessions he/she will legally be considered as absent for part of that morning or afternoon session. Regular lateness of more than 20 minutes may therefore also result in a Fixed Penalty Notice being issued by the Authority and/or further legal action.
